

PRESS RELEASE

National Wattle Day

1st September 2024

A Celebration Of Australian Culture

Native Australian Awards Announced

THE ORDER OF THE WATTLE BLOSSOM

Craig Garland

For outstanding determination and continuing personal commitment to attain Public Office to serve constituents with practical democratic involvement, and to advance ecological retention as a primary direction

Kelly Newton-Wordsworth

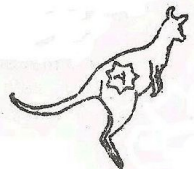

For excellence in the creation and performance of songs and music with High Culture values, and Organic based ideals for Australian Society

Samuel Janama Sandy

For resolute commitment to defending the ecological order of our Sacred Native Soil and the Aquifers of the Beetaloo Basin against destruction by exploitive fracking run by foreign corporations

Craig Thompson

For excellence in promoting organic values inherent with the balanced retention of native wild life and vegetation on local landscapes, advancing sustainability through citizens' knowledge, respect and the enjoyment of nature.
